Dear Bob:

Thanks for getting back to me. The ST32 instructions are perfect! Below is the design of the hang-tag. Please outline how we would need to change the shape in order to present it appropriately and accurately to the customer using cable-tie tool. My fax is 317-823-8948. Thanks!

CHRIS —  
WE THINK THIS  
SLIT WILL WORK  
BEST IF YOU WANT  
TO MAKE SAMPLES,  
WE CAN TEST THEM  
WITH THE TOOL.

Regards

BT
